Nick Edington, Photo by Jeff Sullivan, Soo Evening News

Tommy Guajardo, Dearborn, TE, 6-3, 225, Minnesota, Iowa State, Boston College and 10 more. This kid is on the rise. He is a Big Bodied Athlete that can also play TE/OLB prospect. Has great hands and plays with physicality.

Mason Gilbert, DeWitt, TE, 6-6, 220. Gilbert has good size as a pass-catching tight end and arguably the top TE prospect in the Lansing area. Helped lead Dewitt to the Division 3 state semifinals this past season. Interesting two-sport standout. Also a hoops player, has a nice, all around athletic look to his game.

Larsen Kever, Union City, TE, 6-5, 215. One of Michigan's top "sleeper" recruits, Kever is an outstanding all-around football player. Next level athleticism and footwork, coordination for a big kid. This season, Kever played QB, RB, WR and LB and excelled at each position. This past season, named to the Battle Creek Enquirer All-Area first team. At the next level will more than likely be at TE or DE.

Nick Edington. Pickford, TE, 6-8, 225. An athletic freak of nature. Edington is a match-up nightmare as a TE-WR. Has strong hands as a receiver and can out-jump most defenders assigned to cover him. Plays for Pickford, an 8-man football powerhouse from Michigan's Upper Peninsula. Don't let the "8-man football" fool you, this kid can play for anybody and against anybody and excel. His growth potential at the next level is off the charts. In basketball, Edington is one of the state of Michigan's best in the northern Michigan/Upper Peninsula area. With his combination of basketball footwork and jumping explosiveness and football toughness and grit, Edington is one of Michigan's diamond in the rough-type prospects. Edington is Division I-level in football and basketball.

Josh Jordan, Muskegon Reeths-Puffer, TE, 6-6, 225. Jordan is in the conversation as the state of Michigan's No. 1 tight end prospect. Explosive athlete, first and foremost, Jordan is a possible D-I hoops player as well as a football recruit. Named to the Muskegon Chronicle's Dream Team this past fall as a junior, Jordan is a mismatch with his size, speed and length. One of the best athletes ever at Muskegon Reeths-Puffer, Jordan is one of the top D-I football prospects in west Michigan.

Chastin Cross, River Rouge, TE, 6-3, 195. Great frame and still growing.

Dylan Targgart
Photo by Bill Broderick/Battle Creek Enquirer

Overpowering physicality gives Targgart an edge on either side of the football. Named Coldwater's MVP this past season after recording a team-high 80 tackles, with eight TFL, two sacks and one fumble recovery. Nationally-ranked shot put and discus thrower, Targgart captured state titles in both events this past spring leading Coldwater to its first-ever track and field state championship.

Luke Stuck, Charlevoix, TE, 6-4, 220. Luke is an athletic prospect at DE-TE for Charlevoix, in northern Michigan. Father, Matt, is a northern Michigan legendary hoops player.

Jeffery Frost, Mayville, TE, 6-5, 245. Security blanket-type receiver for Mayville. Good hands, mobility make Frost a mismatch for any defender assigned to cover him. Strong blocker at the point of attack. One of the top prospects in the Thumb. Will be a four-year starter for Mayville, a town in Michigan's Thumb region.

Braeden Caszatt, Manchester, TE, 6-5, 210.

Mason Nelson, Howell, DT, 6-3, 280. Top Lineman prospect at Michigan Showcase. Dominated lineman at every rep. High motor player and physical.

Riley Klaer, St. Joseph, DE, 6-3, 250. Big, strong and physical off the edge, Klaer is a prospect who is starting to come into his own. Klaer sets the edge for St. Joseph, a school on the shores of Lake Michigan in southwest Michigan, and is a force on one side of the field. From an athletic family, Klaer's father played college football at Toledo, while his mother's jersey hangs in the rafters at U-T, since she is one of the greatest women's basketball players ever at Toledo and one of the best ever from southwest Michigan. Klaer's mother is a St. Joseph native.

Aiden Train, Central Montcalm, DT, 6-4, 275. A starter since his freshman season, Train is one of the best d-line prospects in Michigan no one is talking about. With good feet, balance and explosion, Train uses hands to shed blockers easily as a DT. A good tackler, Train drives ball carriers backward and is physical at the point of attack. Martin helped lead P-W to a Division 7 state championship in 2017 and a state quarterfinal appearance this past season. Named his league's Defensive Player of the Year, Martin also was honored by being named to the Lansing State Journal Dream Team and to the Michigan Associated Press Division 7-8 All-State first team this past season. As a junior, Martin finished with some eye-popping numbers including 65 tackles, 25 TFL, 12 sacks and three fumble recoveries. Long, lanky and athletic, Martin overwhelms any lineman attempting to block him.

Josh Williams, Plymouth Salem, DT, 6-3, 295. One of the top DT prospects in the state of Michigan, Williams is an anchor up front for Salem, a school in Detroit's western suburbs. With good movement and agility for a kid his size, Williams is a force in the trenches. Almost impossible to move off the line of scrimmage, Williams is a high-level recruit. This past season, the junior standout was named to the Detroit News All-Metro West first team.

Ben Affholter, Reading, DE, 6-2, 250. One of two Affholter twins at Reading, Ben is quick and agile for his size, playing MLB and FB for the reigning Division 8 state champions. One of the best D-I prospects in southern Michigan, Affholter might play for a small school near the Ohio border, but his football skill and talent is big-time.

Connor Cracchiolo, Richmond, DE, 6-4, 230. Highly productive defensive end prospect from Michigan's "Thumb" area. This past season, Cracchiolo made 71 tackles, nine TFL and had two sacks. Cracchiolo was named to the All-Macomb County second-team as a junior.

Jacob Redlinger, DeWitt, DT, 6-3, 280. An absolute brute down low in the trenches for DeWitt, one of Michigan's top mid-sized football programs, Redlinger is a constant disruptive force at the line of scrimmage. A double-team must, Redlinger was still productive enough to be named to the Lansing State Journal Dream Team this past season as a junior. Redlinger was also named to the Michigan High School Football Coaches Association Division 3 All-State first team this past year.

Jon Kelley, Frankenmuth, DT, 6-3, 310. Will be three-year starter for Frankenmuth, a city near Flint. One of the best gap-pluggers in the state of Michigan. With size and tenacity, Kelley demands a double-team. Physically imposing, Kelley uses brute strength to control the line of scrimmage.

Nick Affholter, Reading, DT, 6-3, 305. One of two Affholter twins at Reading, Nick is a bull of a young man. A starter at DT and OG, Affholter overpowers any opponent in his way and uses brute strength and an intense physical nature to dominate in the trenches for Reading, the Division 8 state champions (14-0 record).

Cam Cunningham, Portage Northern, DT, 6-3, 290. Named Portage Northern's Defensive Player of the Year, Cunningham is a DT who runs through blocks and makes stops in the opponent's backfield.
